John & Ocean Robbins Summit Hosts

Each interview is hosted by best-selling authors and food movement leaders, John Robbins and Ocean Robbins.

John's books have sold more than two million copies, and his skill as an interviewer is beyond compare. After 30 years of leading the food movement, he has the unique ability to draw out the most useful and insightful gems from each speaker.

Ocean is the author of *31-Day Food Revolution* and is skilled at guiding Summit participants along their journey with passion and wisdom. The finale conversation between this father and son team is always insightful and inspiring. Don't miss it!

"I want more energy" is a more common phrasing.

5. Liana Minassian
May 27, 2026 at 5:46:28 PM
Know was repetitive here, but also it's more active to say "I want to find out about xyz." In finding something out, there is a doing. And we want them to do something here by clicking "Join

Again, 'find' is more active than 'get.' 'Get' is passive and happening to you.

THE FOOD REVOLUTION SUMMIT IS FOR YOU IF:

- You want **trustworthy and up-to-date information about food and health**.
- You want delicious food that **isn't full of chemicals, pesticides, hormones, antibiotics, or GMOs.**
- You want more **energy** and want to **prevent cancer, diabetes, heart disease, Alzheimer's, and autoimmune diseases.**
- You want to **slow aging** and **live a long and healthy life**.
- You want to find out what **you need to know about food** through **profound, fascinating, heart-centered conversations**.
- You want to **get past the hype** and **find out what the data really says** about **lectins, carbs, sugar,** and **animal protein**.
- You think that both **farmers and animals** deserve a decent quality of life.
- You want to be a **positive influence on the people you love**.
- You want **a healthy planet** and **a stable climate** for future generations.
- You **love food**!

WHY JOIN THE FOOD REVOLUTION?

You'll get **the latest updates, breaking news, and science-backed information** from trusted experts. You'll learn **what you need to know** about food, including research the big food companies *don't* want you to know.

You'll **find empowerment with simple actions** that could change your life or the lives of the people you love — while also **helping save the planet**.

You'll experience **a powerful community of fellow food revolutionaries** from all around the globe.

And you'll be **supporting healthy, ethical, sustainable food for all**!
